By Tanihara Natsuki

Nice to meet you,
I'm Tanihara Natsuki.
Finally, finally! The D.C. comic has
become it's own book.
Thank you for choosing to buy this!
Nemu, always accompanied by
various girls, sticks around
Jyunichi mostly
He is always a my-pace kind of guy.
Although their relationship is irritating,
it's also cute and fun to draw,
so it all works out (laugh).
But there are plenty of different
relationships between the other characters,
so pay attention to those, too!
Personally, I like to watch Nemu-senpai
and love-struck Miharu go on rampages.
(laugh)
Anyway, I'd like you to warmly look
over Jyunichi, Nemu and
everyone else
